

NADXA Field Day 2020 Operating Criteria

Revision 6/11/2020

- 1) Each station selects the operating class they will use. See the 2020 ARRL Field Day Rules sections 4.2 – 4.8 and the 2020 Field Day Waivers.
- 2) Each Station operates using the class they selected and their own call sign.
- 3) When submitting your entry use Northern Arizona DX Assn as your Club or Group Name. The ARRL will aggregate our club score.
- 4) Note that “on the hour” local hams in the area (some of them very new) will be trying to make contacts on 146.480 simplex. On the ½ hour they will be on 446.500 simplex. You also can log these contacts for points. Please take time to help them out.
